**(16<sup>th</sup> Sept. 2023)**

---

**Name of event:** Meri Mati Mera Desh Abhiyan

**Date of event:** 16<sup>th</sup> Sept. 2023

**Name of the Scheme:** Mitti ko naman, veeron ka vandan

**Organized by:** NSS Department of Bharat Shikshan Sanstha's Arts, Science and Commerce College, Makni.

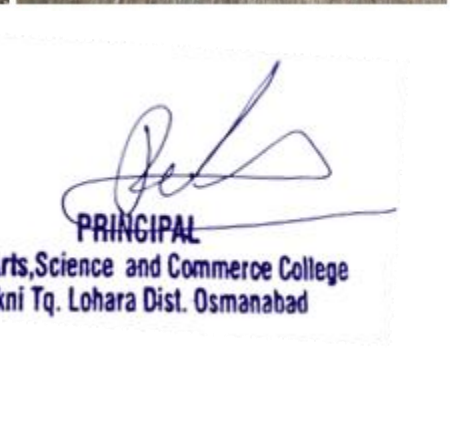

**A Report on Meri Mati Mera Desh Abhiyan**

"Meri Mati Mera Desh" is a campaign that commemorates India's 75 years of independence, and celebrates the country's soil and valor. In this abhiyan, we collected soil and rice grains from different neighbouring villages and sent to the state capital and then to the National Capital.

Our college students collected from different neighbouring villages namely, Karajgaon, Kate Chincholi, Makani, Harali and Udatpur. NSS volunteers with the staff of the college went throughout the village door-to-door for survey under this abhiyan. The NSS Programme officer Dr. Kiran Lomte is the Coordinator of the Abhiyan. Dr. D. V. Thore, DR. S. E. Munde, Dr. R. U. Chochande and Principal Dr. H. N. Rede were present and given encouragement to the abhiyan. A total of 84 students participated in the event.

College Campus Cleanliness Campaign**

**(30<sup>th</sup> Sept, 2023)**

**Name of event:** College Campus Cleanliness Campaign

**Date of event:** 30<sup>th</sup> Sept 2023

**Name of the Scheme:** College Campus Cleanliness Campaign

**Organized by:** NSS Department of Bharat Shikshan Sanstha's Arts, Science and Commerce College, Makni.

**A Report on College Campus Cleanliness Campaign**

Swachh Bharat Abhiyan or Clean India Mission is a country-wide campaign initiated by the Government of India in 2014 to eliminate open defecation and improve solid waste management and liquid waste. It is a restructured version of the Nirmal Bharat Abhiyan launched in 2009. It has been initiated by the Government of India. The main objective of the programme was to create awareness about plastic wastes, its impacts and cleanliness in and around the campus. Cleanliness drive serves in connecting students to the nature and enhancing those actions that make our country a better place. Responding to the Nation's call by the Prime Minister Narendra Modi, NSS Department of our college has taken the initiative in carrying out "Cleanliness drive" in the college, by cleaning the college campus, village campus, Gram Panchayat area, and other areas where cleaning is important. In this programme, Prof. Lomte K. A. delivered a lecture on Contribution of youth for Clean and Green City. In the afternoon session Dr. Munde S. E. gave extensive knowledge on Plastic Waste Management. Youth can maintain their town/village green and clean and to make aware to all stakeholders in order to improve the quality of life and of country. A total of 77 students participated in the event.

Pramod Mahajan Rural Skill Development Training**

**(19<sup>th</sup> Oct, 2023)**

---

**Name of event:** Pramod Mahajan Rural Skill Development Training

**Date of event:** 19<sup>th</sup> Oct 2023

**Name of the Scheme:** Rural Skill Development Training

**Organized by:** NSS Department of Bharat Shikshan Sanstha's Arts, Science and Commerce College, Makni.

**A Report on Pramod Mahajan Rural Skill Development Training**

Prime Minister Shri Narendra Modi inaugurated 511 Pramod Mahajan Grameen Kaushalya Vikas Kendras in Maharashtra through a virtual launch On 19<sup>th</sup> October 2023. Spanning 34 rural districts of Maharashtra, these centers have been established with the primary mission of delivering skill development training programs across multiple sectors, aimed at creating employment prospects for the rural youth. The Prime Minister began his address by stating that it is the 5th day of Navratra when Skanda Mata is worshipped. Noting that every mother wishes for happiness and success for their children, the Prime Minister underlined that this can be made possible only with education and skill development. Speaking about the establishment of 511 Pramod Mahajan Grameen Kaushalya Vikas Kendras in Maharashtra, the Prime Minister underlined that today is a huge step for the skill development of millions of youth making this day a memorable one. In this virtual inauguration, Principal Dr H. N. Rede, Vice Principal Dr D V Thore, College staff and almost 74 students participated in this online programme. A total of 60 students participated in the event.

**Report on AIDS Awareness Rally organized by NSS in collaboration with Sparsh  
Rural Hospital, Sastur**

**Name of event:** AIDS Awareness programme on World AIDS Day

**Name of the Scheme:** AIDS Awareness Program

**Date of event:** 01/12/2023

**Organized by:** NSS Department of Bharat Shikshan Sanstha's Arts, Science and Commerce College, Makni.

**A Report on AIDS Awareness Rally**

Increased awareness of safe practices to prevent HIV infection results in people being more careful and ultimately decreases infection rates. HIV/AIDS Awareness programs help people to become aware of the levels of care and treatment, whether they are living with HIV or caring for someone with this disease.

Every year, on **1<sup>st</sup> December**, the world commemorates **World AIDS Day**. People around the world unite to show support for people living with and affected by HIV and to remember those who lost their lives to AIDS. Forty years since the first AIDS cases were reported, HIV still threatens the world. Today, the world is off track from delivering on the shared commitment to end AIDS by 2030 not because of a lack of knowledge or tools to beat AIDS, but because of structural inequalities that obstruct proven solutions to HIV prevention and treatment. Considering these facts our college organized AIDS awareness programme on **World AIDS Day (01<sup>st</sup> December)**. Students and staff members of our

college organized a rally to make public aware of HIV/AIDS. The programme started on 1<sup>st</sup> December 2023 at 11.00 am in our college. NSS students and staff used handmade posters, slogans and flex to make the public aware.

The campaign was flagged off by the Principal Dr. H. N. Rede, the staff and NSS volunteers of the college. Dr. H. N. Rede, Principal, in his speech advised to students that while taking higher education, you have to set your goals and work honestly on it to get success. He also opined that one should be healthy and happy; because healthy body of youth will be helpful for our country. Vice Principal Dr. S. E. Munde also guided the students regarding AIDS and HIV disease with its reasons of spreading and treatment. Youth should be aware and keep their character good which helps to avoid this disease. There is wide publicity and campaign by the government on its level but the students, the youth as the citizens should do awareness in rural and urban area. He said HIV caused AIDS and interfered with the body's ability to fight infection. If detected early, a regular consultation and proper treatment helps in fighting infection and allows a patient to live long. 78 students actively participated in this event. Vice Principal, Dr. Thore D. V. and Prof. Lomte K. A. and Dr. Biradar S. R. took efforts to make the event successful.

**Health Checkup Camp**

(14<sup>th</sup> Feb. 2024)

---

**Name of event:** Health Checkup Camp

**Date of event:** 14<sup>th</sup> Feb 2024

**Name of the Scheme:** Health Checkup Drive

**Organized by:** NSS Department of Bharat Shikshan Sanstha's Arts, Science and Commerce College, Makni

**A Report on Health Checkup Camp**

Health is of utmost important for all. There are certain diseases which can be prevented with early diagnosis and effective initial treatment. No one cares for early and routine check-up unless he or she faces certain serious health issue. Therefore, as a part of student support activity, the NSS Department of the college in association with The Primary Health Centre Makani organized health heck up camp for students and staff. The health Checkup and Blood Donation Camp was inaugurated by Principal Dr. H. N. Rede presided over the function. The Medical Officer and the staff of Sparsh Rural Hospital, Sastur carried the checkup of students and the staff. Total of 110 students participated in the camp.

**Organic Farming Awareness Programme**

**(12-13 Feb. 2024)**

---

**Name of event:** Organic Farming Awareness Programme

**Date of event:** 12-13 Feb. 2024

**Name of the Scheme:** Organic Farming Awareness Programme

**Organized by:** NSS Department of Bharat Shikshan Sanstha's Arts, Science and Commerce College, Makni.

**A Report on Organic Farming Awareness Programme**

India is a agricultural country nearly 60% of the people are engaged in agriculture. Each and every country should give importance to agriculture. Most of the educated people depend upon government jobs. But if they concentrate with the agriculture, they can earn more income than any other jobs. In order to achieve the target due attention should be given to find out the problem faced by the cultivators and give solution to their growth and development for production and marketing. In order to generate more income and employment in rural areas, organic farming system could be practiced. In

this connection there is a need to conduct awareness campaign among the farm households.

Our college organized an Organic Farming Awareness Drive in collaboration with Dnyan Prabodhini, Harali at Harali during 12-13 February 2024. During this programme students got hands-on experience in the field of Organic farming. During the visit student gained information on techniques and microbes used in organic farming. The students also learnt about the importance of Organic farming, and its benefits. An interactive session was held at the institute to make student aware of benefits of using biofertilizers. During the session they were also taught about the production, processing, transportation and marketing for its commercial use.

The NSS Programme officer Dr. Kiran Lomte is the Co-ordinator of this awareness programme. Dr. S. E. Munde, Dr. R. U. Chochande, local 40 farmers and Principal Dr. H. N. Rede were present and given encouragement to the scheme. A total of 45 students participated in the event.
