## **Institutional Distinctiveness**

### **“Socio-economic upliftment of New-generation learners and Women Empowerment through Quality Education”**

The distinctiveness of the institution lies in the “Socio-economic upliftment of new generation learners and Women Empowerment through Quality Education”. Our institute not only expanded but also upgraded the educational facilities in the rural and earthquake-affected areas. The maximum graduate students provided by the BSS to spread education in Marathwada region as well as in State. The BSS is recognized as a parent institute in this area and prestigious institute in the field of education. This contribution of the institute has been recognized by the community and it has been awarded "Yugpurush" to the founder secretary Late Tatyraoji More and "Shikhsan Maharshi" to successor Ex. president Late Shridharrao (Anna) More and Late Shivajirao (Daji) More. As Such, our institute, Bharat Shikshan Sanstha has got Various National Awards in the field of education.

The college is located in earthquake affected rural area. The day 30th September, 1993 was the black day for this region. The Earthquake hit the region and killed the life of about 20,000 (twenty thousand) people in a single stroke with 6.8 Richter scale. And about 200,000 (two lakh) people became homeless. The government helped this area by providing the primary things to the earthquake affected people and by rehabilitation of many (about 100 villages) villages after this natural calamity. The College is located in the region of that has experienced 87 minor quakes since 1993, Earthquake observatory in Latur, said that precautions are necessary because of the seismic activity in the region and earthquakes are highly unpredictable.

The college not only imparts academic education to the rural students but also imbibes life skills, soft skills, and communicative skills to assist them to develop their personality. Our

focus is on the changes and developments in the fields of education every time for the overall developments of our students. We believe that college life is not all about academics, games, friends, and fun. It is also about learning to interact with other people, being aware of social, environmental and gender issues, and inequities in the society and make the society in which they live a better place and to grow as better individuals. The college provides an opportunity to every girl students to contribute and upgrade itself to the task of inculcating social values and responsibilities in its expose towards the Women empowerment.

The college organizes the women empowerment programs for making them confident enough to struggle the battle of life. Various eminent woman personalities are being invited for the guidance on several issues. Special health related Seminars, certificate courses, Yuvati Sabha, Self-defense training programme and various other cocurricular and cultural activities have been organized time to time. Health check-up camps have been organized to find out the health issues and provided with Government and private hospital help in the form of consultancy. The college has fifty percent girls' enrolment strength. It has successfully been marching ahead and taking efforts endlessly for the betterment of socioeconomically backward section of the society.

The main objectives for girl students are, to develop a spirit of gender sensitization, to empower physical and emotional strength among girls, to make aware the girl students about their civic rights, to develop qualities among girl students like the sense of culture, ethics, morality, and social responsibilities and to develop self-esteem and self-confidence among girls.

A large number of girl students admitted in the college. There are about 442 girl students who study in our college. We undertake different empowerment programmes for girl students throughout the year. Some of those are as follows:
